Business-Small Parcel – parcel delivery for small and sensitive goods

Normed weight and size restrictions, separate sorting processes and transportation in special bags ensure a fast and reliable door-to-door parcel delivery within regular transit times of shorter than 24 hours (excl. islands) all over Belgium.

Our Business-Small Parcel offers you the option of a **comfortable parcel delivery** for your small items combined with the same high level of service standards.

Weight and size regulations

Max. weight	2 kg
Max. length	40 cm
Restriction	The parcel must fit the Small Parcel triangle.
